#### **CHAIRPERSON'S MESSAGE**

Our tenth anniversary year is coming to a close. What a roller coaster year it has been!

The excitement of having attained our tenth anniversary was tempered by financial issues. We had the Perfect Financial Storm. The changes to the Trillium Foundation grant application excludes us from almost any chance of getting any more funding from them, the conversion to electronic bingo at Chances resulted in a severe drop in income from that source, and last year's Hoedown did not generate the revenue that it usually does.

I am pleased to report that there is a light at the end of the proverbial tunnel and it does not appear to be a train. Increased bingo revenue, a first time fee increase, a successful Hoedown, the efforts of our fundraising committee and support from many of you has made a great difference. I truly want to thank everyone for their understanding and support.

We will be here in the fall. However, as for every small charity, funding will continue to be a challenge.

#### **SPEAKING OF FUNDING ...**

Donations of goods, such as tack and feed, and services, such as those of a veterinarian and farrier, are as vital to our association as your generous support! Thank you to ...
